MILITARY RIFLE, CAST BULLET, 8-11-13

By James Cravener, Match Director

A rain shower during the night made for wet berms and this made for hard spotting on the missing. The dark berms and a good breeze caused a lot of misses.

Bob Elder won Overall with 27 using an 8mm Mauser to score on 8 chickens, 7 pigs, 6 turkeys, and 6 rams. Ernie Edmonston won Master Class with 12, and Viridis Isler won A Class with 20. There were no other classes represented today.

MID-RANGE F-CLASS AUGUST 17, 2013

By Jerry King

We had a good showing this morning with 15 adults and 1 junior shooters showing up. Thanks to all the shooters that showed up. I do know that if a few of the regular shooters would have been there, we would have had over 20 shooters.

The weather was fair for shooting as there was a 8 - 14 + plus mph breeze at the 300 yard line when we started, but it changed at the 500 and 600 yard line and it was very tricky at times. We had from 10 - 15 + mph there at times.

This month we did have both classes and again next month in September let's try for both Classes: F-TR and FO. We will need a minimum of 5 shooters in class to have that class.

Remember that in September we will be starting at 9 A.M. and be there between 8:00 - 8:15 A. M., so that we can get all the paper work done. If we have over 22 shooters, then we have to go to 3 relays as we only have 11 - 600 yard targets. Start bringing your spotting scope or binoculars to score from the shooting line.

Also, we are using classification this year and if you are not classified, then you will shoot 3 matches and I will classify you.

Remember that in September we start at 9 A.M..

COWBOY 30-30 MATCH, 8-18-13

By Ernie Edmonston, Match Director

Today was a beautiful day for a little friendly shooting competition, not too hot, not too cold, and best of all, just enough breeze to be comfortable on an August day. We had 4 shooters from Clovis show up along with our regular from Carlsbad, Bill Hamilton.

As is often the case, Bill Hamilton won the Match with the score of 36, All 10 chickens, 9 pigs, 7 turkeys, and all 10 rams. Bill was using his trusty Marlin 336 in 30-30, a Lyman 170 gr. Lyman 311291 and 20.0 gr. of AA 2230C.

Ernie Edmonston won Master Class with 34, Alan Bloomer won AAA Class with 31, Mike Borem won AA Class with 24, Clint Tharp won A Class with 16, and Harry Telesco won Unclassified with 8.

Hopefully, we will have a few more days like today to do our shooting now that we've started getting a little bit of badly needed rain.

This doesn't happen often, but O. L. Adcock won the Iron Sight match with the score of 34 and this was a higher score than any of the scope users came up with. O. L. scored on 7 chickens, all 10 pigs, 9 turkeys, and 8 rams. Sam Jenkins won Master Class with 32, Randy Dana won AAA Class with 28, and Ron Young won AA Class with 22.

With a scope, Sam Jenkins won Overall with 33, 7 chickens, all 10 pigs, 9 turkeys, and 7 rams. Hopefully, we will see everybody back next month and have even better weather before we end up standing around the fire pit.

5th SATURDAY MATCH 8-31-13

By Ernie Edmonston, Match Director

We had pretty decent weather for this 200 meter, cowboy rifle, pistol caliber match, but being a holiday weekend and a gun show in Ruidoso, only three of the locals showed up. However, three people from Clovis showed up, so we shot.

With only 6 people shooting, the top three tied, Sam Jenkins, Scotty Davis, and Ernie Edmonston. After several shots at turkeys in the breeze that had developed by then, Ernie came out the winner. He scored on 7 chickens, 8 pigs, 7 turkeys, and 2 rams using a Browning model 1885 in .357, a Lyman 358156 bullet of 158 gr., and 14.0 gr. of H108.

By default, Scotty won AAA Class. Mike Russo won AA Class with 15, and Janice Jenkins won A Class with 12. The two shooters left holding the proverbial bag were brothers Sam and Bob Jenkins, something that doesn't often happen. See y'all next 5th Saturday.

“O. F.” COWBOY 30-30

9-11-13

By Ernie Edmonston, Match Director

I was beginning to think that I would never get to say this, but WE WERE RAINED OUT!! Actually, with the first Sunday coming before the first Saturday, people keep showing up with the wrong smoke pole, so there weren't but 3 of us ready to shoot anyway. Best of all, no Islamic extremist reenacted some sort of terrorist attack on this date.

DENNIS SULLIVAN 22 MATCH 9-28-13

By Ernie Edmonston, Match Director

Today was pretty good as far as temperature was concerned, but there are very dark shadows on the berms this time of year plus we had a little unwelcome breeze. All in all, it wasn't too bad and the 22 shooters who showed up seemed to enjoy their selves. We had 8 shooters suing iron sights and the remaining 14 were using scopes.

There was a shoot off for Overall winner in the Iron Sight Match between Ron Young and O. L. Adcock, both having scored 26. Ron won the bragging rights and O. L. automatically collected AAA Class. Ernie Edmonston won Master Class with 23, and Bob Jenkins won AA Class with 23. There were no A or B Class shooters out today.

There was another shoot off for Overall winner in the Scope Match between Alan Bloomer and Ernie Lewis, both having scored 35. Alan won that particular match, but Ernie Lewis automatically took Master Class honors. Mike Borem won 1st AA Class with 30 along with a promotion to AAA Class, Roy Hayes won 2nd AA Class with 22, Jerry Newman won A Class with 22 and is flirting with a promotion, and Mason Jenkins, our only junior class shooter won B Class with 15.

Perhaps the scores will come up next month after the time changes and, hopefully, the wind dies down. In the past, October has generally been a pretty good month for shooting.

A NOTE FROM THE TREASURER

Fellow members, when I was first elected to this position some 15 years ago, not only did I take on the financial business of the club, but I tackled the preparation of our membership lists, the issuance of renewal keys every year, and have, for the most part, prepared the newsletter. About the same time, Scotty Davis started giving orientations to new members. There is probably more work involved in these projects than anyone else in the club realizes. I didn't really mind doing it for several years although it was very time consuming, but Scotty and I are both getting up in years and think that it's about time that somebody else started taking over some of these chores.

Board Member O. L. Adcock has volunteered to do the membership keys/lists along with the orientation and we are about to make the transition over to him. Hopefully (for Scotty and I) this transition will be complete by the time we renew our memberships.

Not only would I like to find somebody willing to do the newsletter, I am currently running 4 matches counting the ones we have on 5th Saturdays. Needless to say, I would like to have somebody step up to take part of these off my hands. As a matter of fact, I wouldn't stand in the way if someone was willing to take my place as Treasurer, but that would have to come at election time. I might add that some computer skills is almost a must anymore in accomplishing these chores.

I have appreciated the cooperation I have had in performing the tasks listed above and would have got out a long time ago if it was not for the cooperation from such a great group of people.

Mr. Adcock's phone number is 625-6908 for future problems concerning keys, memberships, and new members.

Project Appleseed® is the sole project of the Revolutionary War Veterans Association (RWVA®), a 501(c)(3) organization. Founded in 2006, Project Appleseed® and its volunteers are committed to bringing traditional rifle marksmanship skills and the story of April 19, 1775, to each and every American. Our goal is to teach the skills that are truly ours alongside the story, engaging each participant in our unique American heritage and encouraging all to become active and engaged citizens.
